Resources and Materials for Language Assistant collaboration	<p>The high school, which opened in 2002, is divided into two buildings. It has eight ordinary classrooms with digital boards and blackboards, a support classroom with PT equipment, a classroom for reinforcement programmes, and four specific classrooms: one for art, one for music, one for technology, and a laboratory. We also have a gym with a sports court, a multilingual library, an outdoor classroom, a radio station, and a Future Classroom Lab (FCL). The school uses a virtual platform (Google Classroom), social media, its own website, and a blog. All this is managed by 17 teachers, a language assistant, a counsellor, and a management team made up of the Headteacher, the Head of Studies, and the Secretary.</p>

<p>Information about the neighborhood and the town*</p> <p>*pictures below chart</p>	<p>Our high school, called IES Al-Zujáyr, is located in the cozy small town of Zújar, in the northeast of the province of Granada, and 13 km away from Baza. Its most relevant orographic features are the Jabalcón hill and the Negratín reservoir that condition part of the economy of its almost three thousand inhabitants. It is part of the so-called Altiplano Region.</p> <p>Tourism guides:</p> <p>https://www.exclusivegranada.com/tourist-guide/altiplano/z%C3%BAjar/</p> <p>https://aytozujar.es/informacion-turistica/</p> <p>https://www.spain-holiday.com/Zujar/articles</p> <p>Tourism videos:</p> <p>https://www.youtube.com/watch?v=sgjB2iqWZcM&ab_channel=PatronatoProvincialdeTurismodeGranada</p> <p>https://www.youtube.com/watch?v=cBHx4HkIkUM&ab_channel=RusticomAndaluciaSL</p>
